

Ahmed Shohatee

Dearborn, MI | 313.949.1844 | ahmedshohatee@gmail.com

DEVELOPER

I'm focused on turning ideas into practical, user-focused software. I bring a problem-solving mindset and the ability to take initiative independently while working effectively with a team to bring solutions from concept to implementation.

EDUCATION

BS Software Engineering

University of Michigan-Dearborn | Dearborn, MI

EXPERIENCE

Operations Associate / Shift Lead

Marathon | Melvindale, MI

Aug 2024 – Jun 2026

- Managed day-to-day store operations, including opening and closing procedures, cash handling, inventory, and customer service.
- Took significant responsibility for maintaining smooth store operations and independently resolving operational issues.
- Monitored inventory levels, coordinated restocking, and maintained product availability across the store.

E-Commerce Sales

Self-Employed

Jun 2023 – Present

- Operate an independent e-commerce business selling physical products and digital files through online marketplaces.
- Create and manage custom and non-custom products, including product development, listings, pricing, customer communication, and order fulfillment.
- Design product graphics, digital assets, and marketing materials using Canva.
- Use AI tools, including Claude, extensively for research, content development, workflow improvement, and business operations.

Cybersecurity Development Intern

Bosch | Plymouth, MI

Nov 2021 – Jun 2023

- Developed and maintained Python-based automation scripts to streamline testing workflows, reducing recurring manual effort
- Analyzed system logs and CAN data to support root-cause analysis and improve system reliability.
- Contributed to a cybersecurity-focused web platform using web development skills.
- Supported software validation efforts including functional, usability, and basic security testing.
